

Saint-Nicolas autour de l'Europe / Saint Nicholas around Europe

<https://live.etwinning.net/projects/project/209131>

DESPRE PROIECT

We would like to celebrate with our students and the students from our partners' schools the Saint-Nicholas Day by organizing activities with music, dances, paintings and even an workshop in order to create little paper Saint-Nicholas.

We want to know how Saint-Nicholas is celebrated around Europe.

OBIECTIVE

- The Students will know more about celebrating Saint-Nicholas in some European countries,
- The students will be aware of the different traditions of Saint-Nicholas in some European countries,
- The students will exchange useful information with their partners,
- The students will learn how to create paper Saint-Nicholas in the origami workshop.

PROCEDURĂ DE LUCRU

27 November: Create a program with the joyful moments prepared by our students in order to celebrate Saint-Nicholas Day

28 November: Sharing the program with our partners

28 November - 4 December: Sharing information between partner schools and inviting other schools to join us

4 December: Performing the show created by our students and sharing the movies and the photos on our Twinspace

6 -20 December: Viewing of the photos and movies created by our partners

REZULTATE PRECONIZATE

We are planning to use this project on Twinspace to know more about celebrating Saint Nicholas around Europe.
